

Greetings from Metuchen and Edison

***A century-long anecdotal
adventure in postcards and
ephemera***

***Full Color – Only \$40
150 pages, 300+ color images***

The Metuchen-Edison Historical Society is proud to offer its newly published *Greetings from Metuchen and Edison*, a century-long anecdotal adventure in postcards and ephemera. Released in October 2015, this original historical society publication includes more than 300 full color images in 150 pages. The images are entertainingly annotated and provide a lively, guided tour through our local history by means of postcard views and souvenirs from both the Society's and private collections. This book makes an ideal gift for local history fans and deltiologists alike!
